PRESS RELEASE

BGCSE EXAMINATION MALPRACTICE

SCIENCE DOUBLE AWARD PAPER 3 AND ENGLISH PAPER I

BEC is aware of the allegations circulating on the social media platforms regarding the possible cases of examinations malpractice concerning the Science Double Award Paper 3 which was written on 5th October, 2023 and English Paper I which is scheduled to be written on 16th October, 2023. The BEC assures the public that investigations on this matter are ongoing.

BEC treats these allegations seriously and as a precautionary measure, the Council has resolved to recall the English Paper I which is to be rescheduled to a later date. Regarding the Science Double Award Paper 3, the public will be informed of the final decision.

Whilst the investigations are continuing, the Council appeals to the public to remain calm. Candidates are urged to remain focused on their examinations and field their best performance. BEC is doing all within its power to protect the best interest of the candidates while safeguarding the integrity and credibility of its qualifications.
