2023 BOTSWANA GENERAL CERTIFICATE OF SECONDARY EDUCATION (BGCSE) EXAMINATION RESULTS ARE RELEASED

Botswana Examinations Council (BEC) has released the **2023** Botswana General Certificate of Secondary Education (BGCSE) examination results. A total of **36 509** candidates wrote the 2023 examination showing an increase of 3.7% in candidature compared to the **2022** cohort of **35 199**. There were 14 751 (40.40%) male candidates and 21 758 (59.60%) female candidates.

The grades available at this level are on a scale of A^* to G, where A^* represents the highest level of performance and G the lowest level of performance. Candidates failing to reach the minimum requirement for Grade G are ungraded and assigned letter **U**, and those who do not meet the requirements for grading for various reasons are assigned letter **X**. Letter **Q** indicates that a result cannot be issued at present but will follow in due course.

Since the BGCSE is a syllabus-based qualification with no aggregation, the measures used to gauge the performance of candidates at system level are the proportion of candidates who are awarded Grade G or better (overall pass rate) and Grade C or better (credit grades) in the best **six** (6) syllabuses.
